This quality 4 Bedroom renovated home is charming & fresh. Built with space in mind, it boasts 2 separate living areas and a deck for entertaining out the back. The modern kitchen contrasts well with polished timber floors in most of the living areas. The garage large enough for any project you could think of and still have room to park the cars, it even has a fully powered separate office. There is side access to this huge space. Close to all amenities.

This property is available late January, please contact our office on 02 4268 6977 or lauren@dignam.com.au to register your interest and our team can book an inspection for you.
