## TOP NOTCH

If you're after a big flat block that gets loads of sun, this could be it. This very stylish home has a fantastic feel to it. The lounge area has ample space and it has a completely separate dining area. All rooms have been fully renovated to the highest of standards.

In the rear yard there is also a great sized room for the teenagers or work from home area. All this plus it's in a quiet street.

**Price:** \$469,000
