BE SURPRISED!

This home has so much to offer with many different options available to suit your growing family. This ideal family home has the possibility of 3 separate living areas with 4 bedrooms or 2 separate living areas with 5 bedrooms. The options are endless but a definite must see! With downstairs being double brick feel cool on those hot summer days and warm in the winter. This home also has a large private yard making it ideal for the kids to play and be entertained. This wonderful property has more than meets the eye!
