Single Level Entertaining

This single level brick home is just perfect for the entertainer at heart. Boasting a covered pergola area at the centre of the home and a sparkling inground pool, just the thing for the upcoming summer days. Internally the home offers 4 large bedrooms, main with huge ensuite and walk in robe, large main bathroom and separate lounge and dining. The kitchen area flows through to a family room which opens out to the rear yard and pool. A double remote garage and landscaped gardens compliment this low maintenance family home just minutes from Woonona beaches and cycleway.
