## Quality Renovated Charmer

This quality renovated home is charming, fresh and ready to live in straight away. Built with space in mind, it boasts 2 separate living areas and a deck for entertaining out the back. The modern kitchen contrasts well with polished timber floors in most of the living areas. The garage is fit for a king, large enough for any project you could think of and still have room to park the cars, it even has a fully powered separate office. There is side access to this huge space. Close to all amenities and within walking distance to Holy Spirit College.
