Vintage Home with Modern Appeal

The endless features of this deceptively spacious home will keep you guessing as you turn every corner. From the street, you see an immaculate cottage style home yet beyond the front door lies a practical and extensive family home. Features include:

- 4 large bedrooms, all with storage and master with ensuite and walk through wardrobe.
- Light and airy kitchen and family area with high ceilings, opening out onto a balcony overlooking the immaculate rear gardens.
- Breathless sweeping views, from the escarpment to the ocean and south to Flagstaff Hill.
- Separate remote double garage with access from side laneway.
- Additional loft style media room or home gym above the garage.
- Private outdoor entertaining area overlooking a stunning salt water in ground swimming pool.
- Several extra luxuries to complete the package such as a pizza oven and spa to be the envy of your guests.
